57th Annual Scientific Meeting

American Society of Cytopathology

November 13-17, 2009

HYATT REGENCY DENVER
at Colorado Convention Center

Top 5 reasons to attend

1. **Consistently Successful.** Backed by 57 years of experience, it is the largest conference solely committed to cytopathology
2. **Continuing Education Opportunities.** Earn up to 53 CME, CMLE and SAM credits
3. **Prominent Speakers.** Learn from nationally renowned experts who will explain the clinical significance of the research and data being presented
4. **Valuable Content.** Discover the latest trends and scientific breakthroughs to help improve patient care
5. **Interactive Format.** Network, share professional experiences and discuss common challenges with more than 800 colleagues

Target Audience

This meeting has been designed for pathologists, cytopathologists, cytotechnologists, and students and other members of the cytopathology community.

Educational Objectives

Dedicated to the diagnosis of cancer and related disease through the cytologic method and its adjunctive techniques, the American Society of Cytopathology's 57th Annual Meeting will:

- Update cytologists on the current practice of cytopathology.
- Encourage and promote greater knowledge of cytopathology to set the highest standards for quality patient care.
- Foster research in the early diagnosis and effective treatment of human diseases.
- Provide a forum for advocacy on behalf of cytologists and their patients.

AMERICAN SOCIETY OF Cytopathology

100 West 10th Street, Suite 605 • Wilmington, DE 19801

PROGRAM HIGHLIGHTS

Educational Sessions
Current Issues in Cytology
New Frontiers Lecture
State of the Art Symposium
Innovations & Trends in Cytopathology
Keynote Address
Diagnostic Cytology Seminar
Special Courses
Cytology Workshops
Panel Luncheon Seminars
Video Microscopy Tutorials
Roundtable Discussions

Networking Events
President's Welcome Reception
Gathering for First-Time Attendees
Wine & Cheese Social

Exhibit Hall Resources
New Products, Techniques and Instrumentation
Laboratory and Professional Services
Research Supplies
Academic Support Resources
Employment Opportunities

Continuing Medical Education (CME)
The American Society of Cytopathology is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

AMA Physician's Recognition Award: The American Society of Cytopathology designates this educational activity for a maximum of 53 credits *AMA PRA Category 1 credits.*™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

Continuing Medical Laboratory Education (CMLE)
The ASC designates these activities for the indicated number of Continuing Medical Laboratory Education (CMLE) credit hours. The CMLE credit hours meet the continuing education requirements for the ASCP Board of Registry Certification Maintenance Program.

This program is also approved for continuing education credits in the State of Florida and the State of California.

ASC will provide ONLINE session tracking and evaluations. All attendees must complete an online evaluation in order to receive a certificate for continuing education or CME credits.

American Board of Pathology Maintenance of Certification (SAM)
The 57th Annual Scientific Meeting will have more than 50 courses available to help fulfill the CME requirements and Self-Assessment Modules (SAMs) mandated by the American Board of Pathology Maintenance of Certification (MOC) process.

Priority code: 639007
