ACCREDITED PROGRAMS IN CYTO TECHNOLOGY

Following is a list of all Programs in Cytotechnology in the United States and Puerto Rico that are accredited or approved by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) on recommendation of the Cytotechnology Programs Review Committee (CPRC) of the American Society of Cytopathology (ASC), American Society for Clinical Pathology (ASCP), American Society for Cytotechnology (ASCT), and the College of American Pathologists (CAP). Current as of February 20, 2013

Legend:
MDir = Medical Director
ADir = Associate/Assistant Director
PDir = Program Director
ECoor = Education Coordinator
mcb = month classes begin
pl = program length in months
ce = current enrollment per class for academic year 2012-2013
CP = Certificate Program (non-degree)
DP = Degree Program
CP/DP = Offers both Certificate & Degree Program
Tuition = for academic year 2012-2013

ALABAMA
1
University of Alabama at Birmingham, Cytotechnologist Program
School of Health-Related Professions, 1705 University Boulevard, SHPB 471
Birmingham, AL 35294-1212
